Nominate Your Neighbor!

We will be gifting those who have been neighborly during this ongoing pandemic. If you would like to nominate a neighbor for doing a good deed, please let us know. We would like to thank them with a small gesture of our appreciation!

We may be experiencing trying times, but it's touching to see how our community continues to look out for each other. *while supplies last*

"Imagine what our real neighborhoods would be like if each of us offered as a matter of course, just one kind word to another person." - Mr. Rogers

Feeling lucky?? Can you find a hidden Shamrock??

We will be hiding SEVENTEEN green shamrocks throughout the community common areas on St. Patrick's Day (Wednesday, March 17th).

If you find one, please bring it to the Clubhouse front doors during office hours and we will bring your prize out to you!

"May your troubles be less and your blessings be more & nothing but happiness come through your door."

St. Patrick's Day Fun Facts

- St. Patrick's Day is an Irish national holiday with banks, stores, and businesses closing for the day.
- Shamrocks are the national flower/emblem of Ireland.
- Legend says that each leaf of the clover has a meaning: Hope, Faith, Love and Luck.
- 1962 marked the first time Chicago dyed their river green for St. Patrick's Day.
- Your odds of finding a four-leaf clover are about 1 in 10,000.

Shamrock Pretzels

Ingredients:

12 ounces green candy coating
90 mini twist pretzels (3 to 4 cups)

Instructions:

Place the green candy coating in a microwave-safe bowl. Microwave in 30-second increments, stirring well after every 30 seconds, until the coating is melted and smooth. Cover several baking sheets with waxed paper. Dunk a pretzel in the coating until it's completely covered.

Take it out of the coating using a fork & let the excess drip back into the bowl. Place the pretzel on the baking sheet. Repeat on second pretzel, and when you place it on the baking sheet, position it so that the bottom of the second pretzel is touching the bottom of the first.

Repeat a third time, and this time, place the pretzel at the top of the other two so that they form a shamrock shape. Break a pretzel twist in pieces, so that you have a few short segments that can be the stems. Dip one stem piece in the coating, then position it at the bottom of the shamrock. Dip a small spoon or fork in the coating & add a dollop of coating in the center of the shamrock, so that it has a smooth, even surface.

Repeat with the remaining ingredients.

Refrigerate the trays to set the shamrocks, for about 15 minutes.

Tips:

You can store these in an airtight container at room temperature for up to 2 weeks. These also make really cute edible cupcake toppers!

Spring Into a Clean Apartment!

Spring cleaning—we may not look forward to it, but the results of our efforts can be satisfying. Here are a few tips to help you get your home sparkling and your sense of accomplishment soaring:

Make a plan and set goals. Write down what areas of your home you will clean and when. Plan to tackle only one area at a time. The best part of such a list is crossing off each item as it is completed.

Check your inventory. Make sure you have all the cleaning supplies you will need, including cleansers, cloths, sponges, and a mop, broom and dustpan. Gather the smaller items and put them in a bucket or basket so they are easier to carry and keep together.

Before cleaning, declutter. Consider paring down the knickknacks you have on display. Give away or recycle magazines. The fewer items you need to move while cleaning, the faster you will finish. Use a laundry basket to gather items you need someone else in the household to sort through.

Start at the top. Clean rooms from top to bottom—from ceilings to baseboards and everything in between. Don't forget to clean behind and under furniture and appliances, if possible.

When you are finished, take some time to sit back, relax, and enjoy your spotless space!
