Father's Day Hero Stones

These painted rocks are ideal for Father's Day! Create these stones that come with their own case and make great paperweights!

Supplies:

- Small wooden crate
- 6 smooth stones
- Black and white acrylic paint
- Paint pens or colored Sharpies
- Acrylic sealer matte or stain finish

Instructions

- Paint the stones black and let dry completely. When dry, paint a circle on the stone with white paint. You will probably need 2-3 coats to cover; allow to dry between coats.
- Sand the wooden crate and paint it black. When dry, sand the edges to expose the wood underneath. Use a white paint pen to write "my dad is ..." across the front on both sides.
- Use colored paint pens to write the following words in the white circle of the stones: strong, brave, smart, loving, honorable, my hero.
- Use black paint pen to add small dots all around the inside edge of the white circles.
- Allow everything to dry for several hours. Sharpies will run when sprayed with sealer if not allowed to dry completely so be sure not to skimp on this step!
- Spray the crate and the stones with acrylic sealer. When dry, apply a second coat.

Fresh Strawberry Pie

Ingredients:

- 1 sheet refrigerated pie crust
- 3/4 cup sugar
- 2 tbsp cornstarch
- 1 cup water
- 1 package (3 oz) strawberry gelatin
- 4 cups sliced fresh strawberries
- Whipped cream (optional)

Directions:

- Preheat oven to 450°. Unroll crust into a 9-in. pie plate. Trim edge. Line unpricked crust with a double thickness of heavy-duty foil or parchment. Bake 8 minutes. Remove foil; bake 5 minutes longer. Cool on a wire rack.
- In a small saucepan, combine the sugar, cornstarch and water until smooth. Bring to a boil; cook and stir until thickened, about 2 minutes. Remove from the heat; stir in gelatin until dissolved. Refrigerate until slightly cooled, 15-20 minutes.
- Meanwhile, arrange strawberries in the crust. Pour gelatin mixture over berries. Refrigerate until set. If desired, serve with whipped cream.

Want to save time? Try using whole strawberries (instead of sliced) and arrange them pointed side up in the pie crust.
