Maintenance Corner

Maintenance Tip of the Month

It is important not to dump grease into your drain. Pouring grease/oil down the drain can congeal your pipes, slow down the draining process, and hamper the sewer system's performance, potentially causing a back up.

To properly dispose of your grease, let the oil cool off first, and then pour the solidified grease into a disposable box to throw away.

Christmas Tree Disposal

We wanted to take a moment to remind everyone that we are not able to allow for disposal of Christmas Trees in the trash compactor. Please be sure to take trees to the Rockingham County Landfill located at: **813 Greendale Road Harrisonburg, Va 22801.**

They are open Monday-Saturday from 7:00am-4:30pm.

Thank you in advance for your cooperation!

Hot Cocoa Four Different Ways

A mug of hot chocolate doesn't warm just your hands, but also your soul. This sweet, creamy drink is a must for the winter season. Have you tried these versions?

Mexican. This cocoa holds a spicy kick with added cinnamon and cayenne or chili powder.

Unicorn. Made with white chocolate chips and pink food coloring, this pick-me-up is fun for all ages! Garnish with colorful sprinkles to make it a real party.

French. Chocolate lovers will enjoy this thick, rich drink made with heavy cream, powdered sugar and dark chocolate.

Traditional. Sometimes nothing beats a good, nostalgic cup of traditional hot cocoa. Try out the recipe below. (Makes four servings.)

Ingredients:

- 1/2 cup sugar
- 1/4 cup unsweetened cocoa powder
- Dash of salt
- 1/3 cup hot water
- 4 cups milk of choice
- 1 teaspoon vanilla extract

Directions:

Combine sugar, cocoa, salt and water in a saucepan. Bring to a simmer, stirring constantly. Whisk in the milk, and warm to serving temperature. Remove from heat and add in vanilla.

Pour into mugs and garnish with marshmallows, whipped cream, ground cinnamon or a peppermint stick.

Human Trafficking Awareness Day January 11, 2024

New Creation is a nonprofit organization on a mission to creatively counteract human trafficking with a local heart + global approach.

New Creation works with more than 60 partner organizations from 5 continents to create dignified work for those rescued from, or vulnerable to trafficking around the world.

They believe that education + job creation are powerful tools to overcome trafficking, which is why their team is committed to continuing to develop concepts that make freedom possible.

But they also know that in order to truly solve this issue, they need to both help survivors + get in front of the issue - which is why they also provide prevention education to communities, businesses, families, and youth on the signs and dangers of human trafficking.

Every day, the New Creation team works with a global heart + local approach to creatively counteract human trafficking. But in order to do good + make a lasting difference, they need supporters like you to join their mission by giving, shopping, or learning alongside them.

Visit newcreationva.org for more information on how you can get involved.
