Be Responsible When Smoking!

The number one cause of mulch fires are improperly-disposed-of cigarette butts. Mulch fires are preventable! We ask that you please be responsible when smoking by following the guidelines below for properly disposing of smoking material:

- Properly dispose of all smoking materials in appropriate nonflammable receptacles.
- Do not discard cigarettes in mulch or potted plants.
- Do not discard your cigarette next to any buildings, decks, porches, mulch beds, exterior stairways or parking lots (This includes tossing butts over balcony railings.)

Thank you for keeping our community beautiful and fire-free!

The Off Broadway Players Present to Kill a Mockingbird
It's 1935, and racial tensions are high in Maycomb, Alabama. Nonetheless, young Jean Louise Finch—or Scout, as she is fondly called—manages to live a rather carefree, privileged existence, insulated from issues of race. All that changes when Scout watches her father, Atticus Finch, defend an innocent man, Tom Robinson, against a potential death sentence, which looms threateningly against him because of prejudice due to race. Scout begins to realize that just because society portrays something as being true doesn't mean that it actually is fact. With the help of Atticus, and her older brother, Jem, Scout learns that "growing up" often means doing what is right, even when it comes at great cost. To Kill A Mockingbird is now considered an American masterpiece about the power of childhood innocence, morality, and love. However, it is important to note that the author, Harper Lee, always defined it as a simple love story. Tickets will be available at the door: Adults: \$17.00, Seniors/Students: \$15.00: J. Frank Hillyard Middle School, Broadway.
