Spotswood High School Presents: Into the Woods

Wednesday, February 26th -

Sunday, March 2nd

Spotswood High School
Auditorium

Into the Woods: As the result of the curse of a once-beautiful witch, a baker and his wife are childless. Three days before the rise of a blue moon, they venture into the forest to find the ingredients that will reverse the spell and restore the witch's beauty: a milk-white cow, hair as yellow as corn, a blood-red cape, and a slipper of gold. During their journey, they meet Cinderella, Little Red Riding Hood, Rapunzel and Jack, each one on a quest to fulfill a wish.

The Lion King Jr.
Court Square Theater
TICKETS: \$15-\$25

ACT ONE's cast of local students bring you a live production of Disney's "The Lion King, Jr." Based on the 1994 Disney animated feature film of the same name and William Shakespeare's Hamlet. The Lion King is the story of Simba, an adventurous and energetic lion cub who is next in line to be king of the Pride Lands, a thriving and beautiful region in the African savanna. When Simba's father Mufasa is killed by his uncle Scar,

though, Simba is led to believe that his father's death is his fault, and he is encouraged to run away forever. Scar seizes power and with his already unstable mind deteriorating, the Pride Lands experiences a darkness and desolation from which only Simba can save the animals of the kingdom.

Maintenance Corner

Garbage Disposal Tips & Warnings

- Your garbage disposal is not a trash can.
- Don't put metal, plastic, or anything harder than most household foods. No bones! ****If you don't eat it, please do not put it in the disposal!****
- Don't put foreign chemicals into your system.
- Run coffee grinds or fill it up with ice and run a dry cycle once a month to aid and sharpen the teeth.
- To keep from burning the motor, always run cold water before, during, and after usage of your disposal.
- If your disposal is suddenly without power, reset it by pushing in the red button on the motor housing.
- Run the disposal after draining the dish water.
- Corn husks and other high-fiber items shouldn't be put into the disposal as they may clog the drain.

Maintenance Corner Cont.

- Don't put expandable foods, such as rice or noodles, in your disposal.
- Don't put fat of any kind down your disposal. To be rid of liquid fats or grease store them in an empty can in the fridge and then put them in your trash can.
- Garbage disposals are dangerous. Keep your hands far from moving parts.
- Keep it clean by pouring a little dish soap inside and letting it run for a minute or so with cold water.
- Toss some citrus peels in once in a while to keep the disposal smelling good.
