Girl Scout Cookies

Girl Scout Cookies are an icon of American culture, and each season, about 200 million boxes are sold nationwide. A troop in Muskogee, Okla., started the tasty tradition in 1917, and two decades later, the cookie sale had spread coast to coast. During World War II, with shortages of sugar, butter and flour, the Girl Scouts switched to selling calendars instead of cookies.

Highland County's 62nd Annual Maple Festival

Take a step back in time to Highland County, "Virginia's Sweet Spot." Travel scenic back roads and majestic mountain byways to the annual Highland County Maple Festival. Since 1958, visitors have been drawn to Highland County to tour real maple sugar camps for a cultural and culinary adventure! In 1999, The Library of Congress designated The Highland County Maple Festival a "Local Legacy." In 2014, the Governor of Virginia signed a bill into law designating the festival as the "official maple festival of Virginia." Each year, tens of thousands of visitors are drawn to this unspoiled, rural region of Virginia to celebrate the "opening" of the trees and observe the process of maple syrup-making. Sugar camp tours provide a unique and educational experience that portrays a rapidly vanishing way of American life. In 2020, there will be a new sugar camp open, bringing the total to 9 open sugar camps with unique techniques and stories for you to explore. In addition to pancake dinners, doughnuts and entertainment, over 100 high-quality juried vendors take part in the festival each year.

Turkey Tetrazzini

Ingredients:

- Nonstick cooking spray
- 1 package (12 ounces) whole-wheat penne pasta
- 2 tablespoons butter
- 1/4 cup flour
- 3 cups low-fat milk
- 1 1/2 cups fat-free chicken broth
- 1/2 teaspoon pepper
- 2 cups sliced white button mushrooms
- 1/3 cup grated Parmesan cheese
- 2 cups diced cooked turkey
- 1 cup frozen peas
- 1 cup shredded reduced-fat cheddar cheese

Directions:

Heat oven to 350° F. Spray shallow 2- to 3-quart baking dish with cooking spray; set aside.

Cook penne pasta according to package directions.

In large saucepan over medium heat, melt butter and stir in flour. Stirring constantly, cook about 2 minutes.

Whisk in milk, chicken broth and pepper; bring mixture to a boil. Stir in mushrooms, reduce heat and cook about 10 minutes, stirring frequently, or until mixture thickens and mushrooms are softened.

Stir pasta, Parmesan cheese, turkey and peas into milk mixture; spoon into prepared baking dish. Top with cheddar cheese and cover loosely with foil. Bake about 45 minutes, or until bubbling at edges and heated through.

Digital Disconnect

The National Day of Unplugging is a 24-hour respite from technology. The global event, held from sundown on the first Friday in March until sundown the next day, highlights the value of disconnecting from digital devices to connect with ourselves, our loved ones and our communities.

Participants are encouraged to unplug completely or partially, often or occasionally.

You might start with putting your devices away while eating. Conversations will likely be more interesting, and the action shows respect for the people you are sharing a meal with.

Don't immediately grab your phone when you wake up in the morning.

Instead, start your day with meditation, stretching or setting goals. Establish electronics boundaries on your days off, such as limiting how often you check your social media accounts or work email.

Participate in a social media fast with a friend, and schedule a get-together with him or her.

Use your unplugged time to treat yourself to an activity that helps you unwind and relax. Ideas include going to the movies, listening to music, doing yoga or taking a walk.

Life is going on all around us while we text, browse and post, so remind yourself to live in the moment. Enjoy what is happening while resisting the urge to share it with the world.
